ABOUT US
Capita was founded in Singapore in 2007 as a local recruitment and staffing provider offering local and international placements. In just five years, we catered to growing demand by expanding our Asia footprint across the border to Malaysia to better serve regional clients. The next five years saw us going from strength to strength with acquisition by Japanese recruitment company PERSOL Holdings in 2015, followed swiftly by further expansion with PERSOL Holdings and US staffing agency Kelly Services’ joint venture in Asia Pacific that eventually formed the brand of PERSOLKELLY in 2017.

Capita is now a key brand under the PERSOLKELLY umbrella, offering premium human resource solutions to both MNCs and independent companies across the region in all industry sectors.
