EAT.GROW.LOVE.

Make a difference to the lives of NTU students in financial need and communities living in hunger around the world.

In collaboration with Rise Against Hunger (RAH), NTU brings to you the EAT.GROW.LOVE campaign where you can do good, locally and globally, at the same time.

HOW YOU CAN HELP:

Donate:
Your donation creates 12 nutritious meals (valued at $5.40) for hungry people. The balance amount* goes towards NTU Bursary to support financially needy students in NTU.

Participate in the Meal-Packing Event:
Join us for 2 hours of fun on the NTU campus. Be part of the 500 participants to pack 100,000 meals on Saturday, 23 February 2019. This easy yet powerful activity brings passionate individuals together to make a stand against hunger, and be part of a global community in supporting the United Nation’s goal towards Zero Hunger by 2030.

Rise Against Hunger
815 million people in the world don’t get the food they need to live a healthy life. An international hunger relief organisation, RAH distributes food and life-changing aid to the world’s most vulnerable. It aims to end hunger by 2030 – which is also part of United Nation’s Sustainable Development plan towards Zero Hunger.

NTU Bursary
1 in 5 NTU students struggles with financial difficulties every year. Of these, 20% lose a parent to illness or divorce. Many take up tuition or part-time jobs, causing their grades and school life to suffer. Bursaries help your juniors in need to achieve their full potential, and be the full-time students they should be.
